

## Safety Data Sheet: Delta Yttria Stabilized Zirconia

### Section I: Product and Company Information

Product Name: Delta Yttria Stabilized Zirconia  
Chemical Name: Yttrium oxide stabilized zirconia oxide ceramic  
Product Use: Machinable green ceramic for dental appliances  
Company: Aurident, Inc.  
PO Box 7200  
Fullerton, CA 92831  
Tel: (800) 422-7373  
Fax: (714) 870-0608

### Section II: Composition

A green state ceramic that has not been completed sintered ceramic consisting primarily of yttrium oxide blended with zirconium oxide with the following composition:

Chemical/Formula	Weight Percentage	CAS Number
Zirconium Oxide – ZrO (2)	92-93%	1314-23-4
Yttrium Oxide – Yt (2) O (3)	5-6%	1314-36-9
Hafnium Oxide – HfO(2)	1-2%	12055-23-1
Aluminum Oxide – Al(2)O(3)	<1%	1344-28-1
Silicon Oxide – SiO(2)	<0.1%	7631-86-9
Iron Oxide – Fe(2)O(3)	<1%	1309-37-1

### Section III: Hazard Identification

**Form:** Disks or blocks of green state ceramic  
**Color:** White  
**Odor:** Odorless

May cause mechanical irritation to eyes, skin and respiratory tract.

Eyes: May cause mechanical irritation  
Skin: May cause mechanical irritation  
Ingestion: None known  
Inhalation: May cause mechanical irritation to the respiratory tract.  
Chronic Exposure: None known  
Carcinogenicity: Components CAS-No. Classification  
IARC: None  
NTP: None  
OSHA: None

Under normal conditions of use, this product meets the definition of an OSHA and TSCA Article and is nonhazardous. If this product is ground or otherwise processed, potentially those ingredients mentioned in Section 2 could be generated.

### Section IV: First Aid Measures

**Eyes:** Flush with copious amounts of lukewarm water for at least 5 minutes. Get medical attention of irritation develops or persists.

- Skin:** Wash thoroughly with soap and water.  
**Inhalation:** Move to fresh air.  
**Ingestion:** Rinse mouth. If there are persistent difficulties, consult a medical doctor.

## Section V: Fire Fighting Measures

The material is non-flammable and non-explosive. Fire fighting measures applied should be appropriate to the surrounding fire.

## Section VI: Accidental Release Measures

- Personal Precautions:** If dust is generated, use appropriate respiratory protection. Avoid the generation of dust.  
**Environmental Precautions:** Keep from entering water or ground water. Collect water for approved disposal.  
**Methods for Cleaning:** Vacuum dust from equipment and spills. Containerize all dusts and no special disposal requirements are necessary.

## Section VII: Handling and Storage

No special handling and storage precautions are necessary. Keep all packages sealed until use.

## Section VIII: Exposure Control and Personal Protection

### Exposure Limit Values

1. Zirconium and compounds, as Zr; CAS-No. 1314-23-4
  - a. OSHA – PEL – fraction capable of being inhaled: 5mg/m<sup>3</sup>
  - b. ACGIH – STEL (short term exposure limit) 4mg/m<sup>3</sup>
2. Hafnium and compounds, as Hf; CAS-No. 12055-23-1
  - a. ACGIH – TLV -- fraction capable of being inhaled 0.5mg/m<sup>3</sup>
3. Yttrium and compounds, as Y, CAS-No. 1314-36-9
  - a. ACGIH – TLV -- fraction capable of being inhaled 1mg/m<sup>3</sup>

## Section IX: Physical and Chemical Properties

- Physical Appearance:** White Solid Disk or Block  
**Color:** White  
**Odor:** Odorless  
**Boiling Point:** Approx. 5,500<sup>0</sup>C  
**Melting Point:** Approx. 2,680<sup>0</sup>C  
**Flash Point:** Not applicable  
**Ignition Temperature:** Not applicable  
**Explosion Limits:** Not applicable  
**Vapor Pressure:** Not applicable  
**Density:** Approx. 3g/cm<sup>3</sup>  
**Solubility in Water:** Insoluble

## Section X: Stability and Reactivity

- Thermal Stability:** Stable

**Conditions to Avoid:** None  
**Hazardous Decomposition Products:** None  
**Hazardous Reactions:** None

## Section XI: Toxicological Information

### Acute oral toxicity:

Yttrium Oxide: LD50 rat > 5,000 mg/kg (Method: No information available)

### Skin irritation:

Yttrium Oxide: No skin irritation, rabbit (Method: No information available)

### Eye irritation:

Yttrium Oxide: Mild eye irritation (Method: No information available)

## Section XII: Ecological Information

Not Available

## Section XIII: Disposal Considerations

Dispose of product in accordance with applicable state, federal and local laws and regulations. Notice local regulations may be more stringent than state or federal requirements.

## Section XIV: Transportation Information

Considered non-hazardous, no special handling required.

## Section XV: Regulatory Information

OSHA Hazards: Hazardous  
TDG: Not dangerous goods  
Air Transport ICAO-TI/IATA-DGR: Not dangerous goods  
Sea Transport IMDG: Not dangerous goods

## Section XVI: Other Information

The information and recommendations set forth herein are presented in good faith and believed to be correct. Aurident, Inc. makes no representations as to the completeness or accuracy of this information and supplies it on the condition that the persons receiving same will make their own determination as to its suitability for their purpose prior to used. In no event will Aurident, Inc. be responsible for damages of any nature whatsoever resulting for the use of or reliance upon this information.

*No representations or warranties, either expressed or implied, of merchantability, fitness for a particular purpose or of any other nature are made hereunder with respect to information or the product to which information refers.*
